A division of Proven systems Ltd.

## Manufacturer's warranty statement.

With the exception of the warranty conditions as they apply to transfer of ownership according to notes 2 and 3 below, the following are subject to Proven Systems Limited standard terms and conditions of sale.

Products which are manufactured and installed by Proven Systems Limited under the DVS® brand and which are operated and maintained according to the operating guidelines specific to the product carry a five year, on site, full replacement or repair to working order parts and labour warranty.

### Notes:

1. Proven Systems Ltd will, as a condition of the warranty, and at its sole discretion, either repair to working order or replace faulty product.

2. Transferability. A building built to order.

Under normal warranty conditions, the warranty provided is provided solely to the purchaser of the product and or product and services and is not transferable. An exception being where a product is provided and installed by Proven Systems Limited for a commercial entity, the entity, which is building to order for a specific client. In this case the warranty automatically transfers to the client of the entity, the new owner. Subsequent to this transfer, the warranty is deemed not transferable. In this case, the five year warranty period is deemed to start on the date at which the building is completed and ownership passes to the new owner or at a date not more than 90 days from the date of invoice from Proven Systems Limited to the entity.

3. Transferability. A building built for speculative sale.

Under normal warranty conditions, the warranty provided is provided solely to the purchaser of the product and or product and services and is not transferable. An exception being where a product is installed for a commercial entity, the entity, which is building for a speculative sale. In this case the warranty remains with the entity until such time as the building is sold to another party, the new owner. The warranty will transfer to the new owner of the building effective the date of possession by the new owner. In this case, the five year warranty period is deemed to start from the date of invoice from Proven Systems Limited to the entity.

### Non DVS® branded products warranty.

4. Proven Systems Limited provide and or provide and install other, non DVS® branded products and services. In all cases, the product warranty available for these non DVS® branded products is the warranty provided by the manufacturer of the product. In regard to transferability and warranty start date. The conditions contained in Notes 2. and 3. above apply.

5. This document and the entire contents, with the exception of the warranty conditions as they apply to transfer of ownership according to notes 2. and 3. above are, for the purposes of specific detail, binding condition, interpretation and context, subject to Proven Systems Limited standard terms and conditions of sale.
